Sale of Continental Breeding Rams

The evening sale of Breeding Rams kicked off to a fantastic start, with a full ringside of buyers and onlookers eager to see what was on offer.

A tremendous trade was enjoyed from start to finish, with bids coming thick and fast throughout the sale. Topping the evening was a superb Texel Shearling Ram from A&C Watson, Rowan Garth, selling for an impressive £1,500.

A fantastic result and a great way to round off the day's sales.
