“Broughton Classics” Show & Sale of Store Cattle

Little old Broughton packed a big punch today, with all cattle selling to a fast and competitive trade.

We would like to extend our thanks to Mr James Miller, Arkleby Hall, for his time and expertise in judging today’s classes and awarding the following results. Our thanks also go to Adam Jackson Ltd for kindly sponsoring today’s sale.

Topping the sale at £2,300 was a tremendous British Blue steer from NA&J Temple, Ash Crag, which was awarded the Championship Rosette and went on to be purchased by the judge.

The Reserve Champion, also from the same successful home, sold to £2,280 to S&NV Jowett.

Yearling steers met a flying trade, with the very best well over the £2,000 mark and the next level down generally achieving £1,750–£1,850.

Heifers were equally in demand, topping at £2,180 for a Charollais from JM Hannah, Green Bank Farm. A 12-month-old Limousin heifer from NA&J Temple, Ash Crag sold for £2,140, while a lovely 8-month-old British Blue heifer from MSH Benson, Horrace realised £2,120.

The next sale of Store Cattle at Broughton will be the April Fair on Tuesday 21st April. Please forward entries to the market office on 01900 822016 or contact a member of the sales team.
